

Section 504 Workshop

Featuring Jim Keith, Esq.

March 28, 2017

Embassy Suites

Ridgeland, MS

Section 504 can be confusing. How does a district approach this law and meet its requirements?

Do you ask:

- What are the differences between Section 504, IDEA, and the Americans with Disabilities Act (ADA)?
- What procedures can be established to ensure compliance with all 3 laws? (Considering medical issues, learning issues, and behavioral issues)
- What are the recent and pending court decisions regarding Section 504 and how do they affect the local school district?
- What steps should the district take once we receive a parent request for Section 504 or when a student is ruled ineligible for IDEA services?
- What are the steps to take when the district receives the parent complaint filed with the Office of Civil Rights (OCR)?
- How does the district communicate with and respond to the OCR?

These topics and many more will be discussed.
